Barricade Safety Fabric

Barricade Safety Fabric

Part#: 14997

 [14997a.jpg](#) [1]

Our revolutionary woven polypropylene fabric fence is flexible and lightweight, yet very strong. Thirteen extruded solid bands make this fence highly visible and resilient. The lightweight fabric (only 16lbs. for a 4' x 150' roll) makes it easy to install even on irregularly contoured land or over existing obstacles. Available in high-visibility orange in 4' x 150' rolls without posts. Pre-posted fence is available in 4' x 100' rolls with eleven 1? x 2? x 5' posts pre-attached.
